

## Quality Assurance Policy

Maarli is committed to working within its Quality Management System which aligns with the requirements of relevant legislative Codes of Practice and International Standards to achieve and demonstrate measurable levels of continuous improvement in our performance.

Maarli acknowledges that changes are fundamental to continuous improvement and will continually measure, monitor and improve the quality of our service to meet the changing needs and expectations of our customers.

Maarli recognises quality assurance as a core organisational objective. As such, all Maarli employees and contractors will strive to operate its business in a manner that consistently meets and exceeds the quality standards set by our stakeholders, including our customers, industry regulators and the communities where our business operations are conducted.

Maarli will train staff and contractors to understand and work within the guidelines of our Quality Management System at all times.

### Our Responsibility

Our leadership team are accountable to communicate this policy to all employees, contractors, suppliers and visitors, as well as ensuring that our commitment is met.

This policy applies to all employees and subcontractors engaged in activities under Maarli operational control.

This policy will be reviewed, revised and where appropriate made public to ensure it aligns to Maarli's activities.
